HIGH DEFINITION VIDEO PRODUCTION

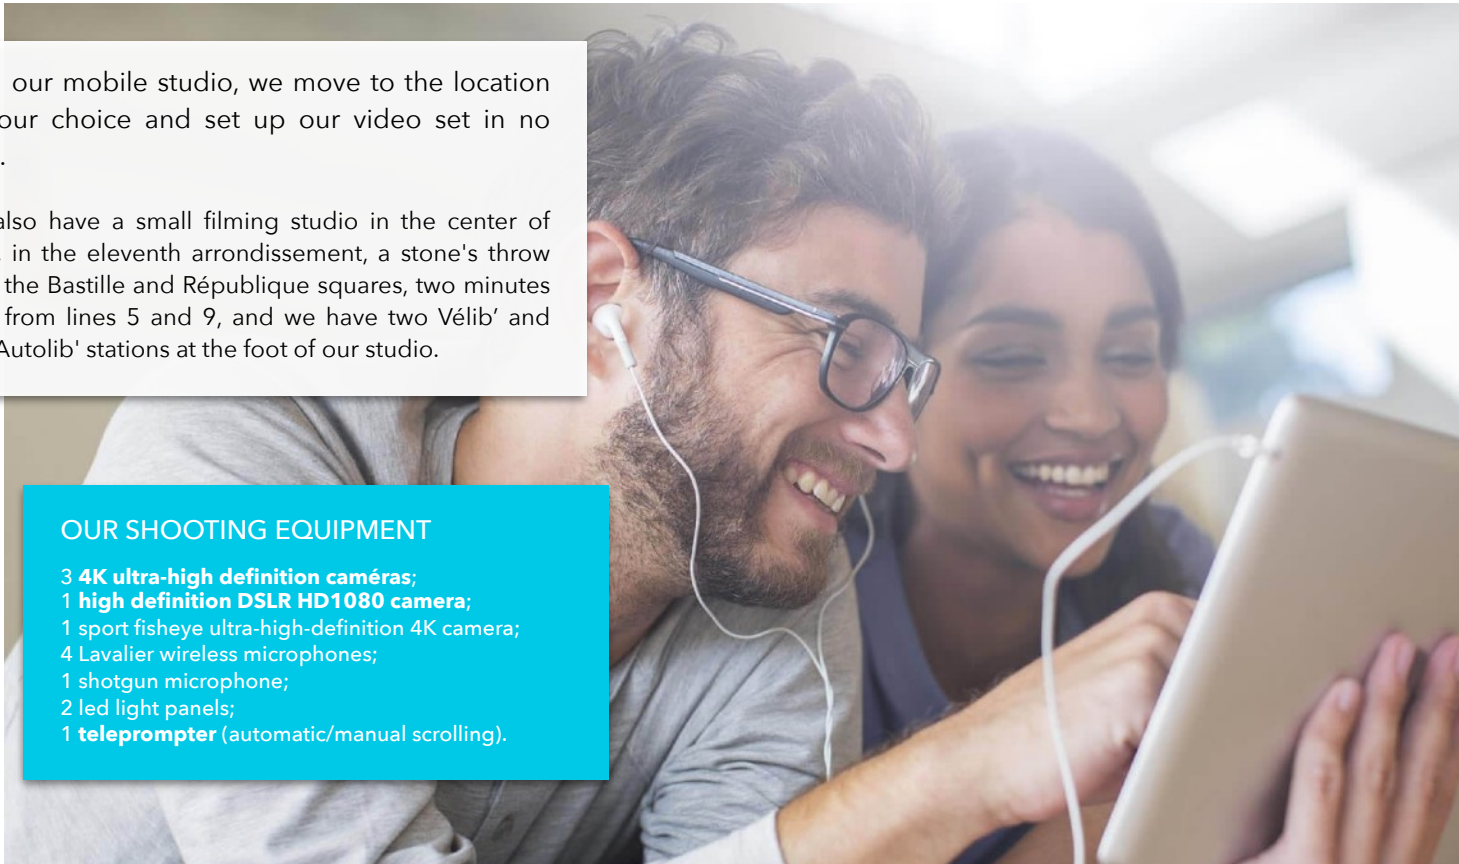

4K WITH A ULTRA-LIGHT STUDIO

With our mobile studio, we move to the location of your choice and set up our video set in no time.

We also have a small filming studio in the center of Paris, in the eleventh arrondissement, a stone's throw from the Bastille and République squares, two minutes walk from lines 5 and 9, and we have two Vélib' and one Autolib' stations at the foot of our studio.

OUR SHOOTING EQUIPMENT

- 3 4K ultra-high definition caméras;**
- 1 high definition DSLR HD1080 camera;**
- 1 sport fisheye ultra-high-definition 4K camera;
- 4 Lavalier wireless microphones;
- 1 shotgun microphone;
- 2 led light panels;
- 1 teleprompter** (automatic/manual scrolling).
